Annual Report

Introduction:

The Nasha Mukta Hostel Anti-Drug Committee at Christ College of Science and Management, Alambady, is a dedicated body committed to creating a safe, healthy, and drug-free environment for students residing in the hostel. The committee functions in accordance with the college's policies and guidelines to prevent and address substance abuse within the hostel premises.

Key Initiatives:

- **Vigilance Squad:** A team of members operates under the direction of the committee to monitor the hostel premises and ensure vigilance.
- **Confidentiality and Support:** The committee guarantees confidentiality and support for students who seek help or report substance abuse incidents.
- **Zero Tolerance Policy:** The committee adopts a zero-tolerance policy towards substance abuse, and any student found violating the policy will face disciplinary actions.

Mission and Vision:

The mission of the Hostel Anti-Drug Committee is to take proactive steps for awareness generation, timely intervention, and implementation of preventive policies, thereby ensuring that the hostel is a safe and healthy space for all students. The vision of this committee is to create a campus environment that is free from substance abuse, where students can pursue their academic and personal goals with clarity, focus, and integrity.

False/Malicious Reporting Clause:

The Anti-Drug Committee also addresses instances of false or malicious reporting of substance abuse with sensitivity and fairness. If a report is proven to be false or fabricated after due

inquiry, the committee may take appropriate disciplinary action against the individual who made the false report.

This clause aims to:

- Ensure that false or malicious reports are not made lightly
- Protect individuals from false accusations Maintain the integrity and credibility of the committee's processes

By including this clause, the Anti-Drug Committee can ensure that its processes are fair, transparent, and effective in addressing substance abuse issues while also protecting individuals from false accusations.
