2023-24

Industrial visit on 15th June 2024 to Titan Industries, Hosur

The industrial visit was organised by the Department of Commerce on 15th June 2024. The second year students were exposed to the different process involved in the production of branded gold jewellery.

Students from second year had glance on the production and quality management in a production unit. The various aspects of production were presented in detail before visiting the production area by Mr. Francis Xavier Paily Pala, Titan Industries.

Students were excited with the amount of gold processed and ornaments made with all the intricacies, detailing, perfection and the quality checks done at each stage.

The cordial and encouraging behaviour of employees were noticed by the students.

The students were informed about the CSR activities of the company and the employee welfare programmes.
