### **ALUMNI ANNUAL REPORT**

#### **FOR**

#### **ACADEMIC YEAR 2021-22**

Christ College Alumni Association (CCAA) came into existence in the year 2018. From the year of its inception till date, CCAA has played a pivotal role in supporting Christ College of Science and Management in strengthening the ties between Alumni, the community, and the parent institution. The association conducts Alumni Meet-Lumina to facilitate, consolidate, and take constructive feedback to enable the teaching-learning process.

The college fosters strong ties with its alumni through various initiatives. These initiatives aim to connect graduates with the college and each other, providing opportunities for mentoring, networking, and career development. Alumni are encouraged to contribute to the college's growth by sharing their expertise, offering financial support, and staying engaged with the college community. Through these initiatives, the college seeks to create a mutually beneficial relationship that enriches the lives of both alumni and current students.

#### **ALUMNI MEET- LUMINA 2K22- 24<sup>TH</sup> JULY 2022**

The Alumni Meet began with a warm welcome extended to the alumni in the college auditorium, followed by ice-breaking activities organized by the Science Association to foster interaction and camaraderie. The formal proceedings commenced with an introduction followed by a prayer song. Faculty coordinator Mr. Arun S A delivered the welcome address, acknowledging the dignitaries, alumni, and attendees. A ceremonial lamp-lighting ceremony was conducted, involving the dignitaries and alumni representatives Ms. Padmashree SG (2017-18 batch) and Ms. Veena R (2018-19 batch). Mr. Vijayakumar K, Head of the Department of Science, provided insights into the formation and objectives of the alumni association, *LUMINA*. The Principal delivered an inspiring address to the alumni, followed by a nostalgic memory video curated by Mr.

Santhosh and Mr. Ilyaraja (both III B.Sc.), showcasing cherished moments from the alumni's college life and different team activities. The event concluded with the presentation of a group photograph as a memento to the attendees and a lunch arranged collaboratively by the Department of Science and the college management.

#### **ALUMNI MEET- RETOUR 2K22- 21<sup>ST</sup> AUGUST 2022**

The department alumni meet, RETOUR 2K22, was organized by the Department of Management in association with the Alumni Association and IQAC on 21st August 2022, as part of LUMINA – Alumni Meet. The event saw participation from alumni of the BBA 2017-20 and BBA 2018-21 batches, along with coordinators from the BBA 2019-22 batch. Planned meticulously in advance, invitations were sent to graduates of various batches, resulting in the participation of 22 alumni members who spent a meaningful day on campus. The alumni expressed their appreciation for the department's efforts in organizing the event and fondly acknowledged the role of the college and department in shaping their personal and professional growth. During the meet, the alumni were encouraged to consider establishing an endowment plan in memory of Ms. Pooja MG (BBA 2017-20) for recognizing the best outgoing students, a suggestion met with positive and encouraging responses. Additionally, Mr. Kishore Gopal from the BBA 2018-21 batch made a voluntary contribution of ₹5,000 to the department, exemplifying a commendable practice that could be emulated in the future.

#### **ALUMNI INITIATIVES FOR 2021-22**

##### **GUEST TALK- ART OF MAKING CAREER CHOICES – 22<sup>ND</sup> JULY 2022**

The Department of Computer Science, in association with the IQAC, conducted a guest talk titled "Art of Making Career Choices" as part of the Alumni Interaction Series on July 22, 2022. The guest speaker, Mr. Prince EJ, an alumnus from the BCA 2015-18 batch and currently an Associate Application Engineer at Gapblue Software Labs Pvt. Ltd., Kochi, Kerala, shared valuable insights during the session. The program was organized for the benefit of first-year, second-year, and third-year BCA students, with the objectives of emphasizing the importance of setting career goals, creating awareness about job opportunities available post-BCA, and guiding students on online courses relevant to their career paths.

### **COVID 19- AWARENESS VIDEO- 26<sup>TH</sup> JANUARY 2022**

On January 26, 2022, the Department of Commerce, under the coordination of Ms. Ashly Lynn Joseph (Faculty Coordinator) and Mr. Baskar S (Student Coordinator), organized a COVID-19 awareness initiative. As part of the information, education, and communication activities, an alumnus from the department created a COVID-19 awareness video to educate students about the importance of adhering to safety and infection control practices to mitigate the impact of the third wave of the pandemic. The video emphasized key precautionary measures such as wearing masks, hand hygiene, maintaining physical distance, and vaccination. This initiative aimed to highlight the critical need for continued safety practices to protect individuals and communities from the spread of COVID-19.

### **INAUGURATION OF ALUMNI INTERACTION SERIES AND WEBINAR- 15<sup>TH</sup> MAY 2021**

The Department of Computer Science, in association with IQAC, inaugurated the Alumni Interaction Series on May 15, 2021, with a session titled "Know it from Your Alumni" for final-year BCA students. Ms. Athilakshmi, Head of the Department, delivered the inaugural address, followed by a webinar led by alumnus Mr. Arun V Josh (Batch 2016-2019), a Security Analyst at E&Y, Trivandrum. The session highlighted the impact of COVID-19 on the IT sector, essential skills for BCA graduates, and certifications such as Web Design, Network, and Ethical Hacking. With 128 participants, the event offered practical insights into industry demands, career preparation, and job resources.

### **ONE WEEK WORKSHOP ON REST API- 24<sup>TH</sup> – 28<sup>TH</sup> MAY 2021**

Christ College of Science and Management organized a one-week workshop on REST API from May 24th to 28th, 2021. The workshop was aimed at enhancing the skills of final-year BCA students and was conducted in collaboration with the Christ Alumni Association and IQAC. The workshop provided an opportunity for students to learn about new frameworks and concepts related to REST API, along with ample time and guidance to understand and implement REST API in coding and application design.

### **PARTICIPANTS OF BELLA NOEL 2K22- 21<sup>ST</sup> DECEMBER 2021**

The Department of Arts at Christ College of Science and Management presented Bella Noel 2K21, a captivating Christmas program on December 21<sup>ST</sup>, 2021. This festive celebration saw active participation from alumni, further solidifying the strong bond

between graduates and their alma mater. Notably, Jabez Mathew and Doris Hephzibah D, esteemed alumni from the BBA 2018-21 batch, graced the stage as key musical performers, contributing their talents to create an unforgettable evening of Christmas cheer. Their involvement not only showcased the enduring artistic spirit of the college but also served as an inspiration for current students, demonstrating the continued support and engagement of the alumni community
