CCTD ANNUAL REPORT FOR ACADEMIC YEAR 2021-22

The focus of Christ Centre for Training and Development was providing quality training to enhance the students for better placements and higher studies in the future. The centre conducted various activities whole through the year for the achievement of its goals. Workshops, talks, webinars, training and activity-based events were conducted by the CCTD.

Staff Coordinators: Ms. Amulya Kurian & Ms. Thamburu Sunny

Events conducted for 2021-22

Webinar on “How to make the right choice for successful career and its opportunities in emerging sector” was organized along with Centre for Placement in association with Kirloskar Institute of Advanced Management Studies and IQAC, to understand the right career path and to clearly understand the importance Industry Revolution 4.0 and its impact on analytics used in different fields. The event was conducted on 10th January 2022.

A **virtual campus placement session** was conducted on 19th January 2022 by Centre for Placement and Centre for Training and Development in association with IQAC for interested students. Students from BA, BBA and BSc. Final years attended the interview. Eight students were offered different positions based on the selection process.

Other Activities Undertaken:

- Centre has continuously provided career guidance classes for second year PU and Plus 2 students at various parts of Kerala and in college. The sessions helped the students to get information about the courses and career options for each different programmes.
- Trainings were given to staff to present and staff from different departments visited schools to provide career guidance classes. Knowledge-sharing materials are shared by the Centre on regular basis to students and teachers.
- Centre actively participates in planning, suggesting and partnering knowledge sharing sessions with Centre for Placements, Centre for Innovation, Incubation and Entrepreneurship, Centre for Extended Learning, IPR Cell and Departments for the growth of students and staff.

Outcomes of the Events Organised

- Enable students to attend the selection rounds for higher education and placements
- Knowledge-sharing sessions widened the teaching-learning horizon
- Students were regularly given trainings, orientations and placement-specific skill enhancement programmes
- Improved the placements and admissions for higher studies
