Research Centre Policy

1. Preface

Christ College of Science and Management, started in the year 2015 and it is affiliated to Bengaluru North University. Situated at Alambady, Malur-Hosur Road. Our college is committed to promote a research culture among Faculty and students as basic long term research provides the foundation for future development of the Institution. The research policy of the college aims to identify research areas of academic, practical and social relevance. The research policy has been framed to analyse, understand and effectively respond to all types of challenges posed in the pursuance of quality research.

2. Purpose

The Research Policy is to inculcate research culture among the staff and students of our Institutions. The policy shall serve as a guideline for all research-related activities, comply with all necessary statutory and other requirements, and adhere.

2.1 Scope

The Research Policy applies to all faculty and students involved in research activities and also to such of those researchers use the facilities for research in all our continuant units under Christ College of Science and Management (CCSM)

2.2 Vision

Our Vision is to create and foster a center of Excellence for Social Science Research

2.3 Mission

- To Promote, Coordinate, and Implement Research Programs.
- To provide good infrastructural facilities and a conducive environment to inculcate research culture.
- To foster collaborations for mutual benefits with National and Internationally reputed research centers/ Institutions.

3. Admission Procedure

The College will be admitted on the basis of University guidelines in which the student should clear the entrance exam conducted by Bangalore North University. The selected candidates will be admitted as research scholar under CCSM on the basis of merit. NET qualification will be considered for direct admission.

4. Objectives

The objectives of our Research Centre are as follows:

- To create a research culture amongst students and faculty members
- To promote research output in various departments of the Institute.
- To contribute to societal development through research extension.
- To Publish Research journals and contribute research articles in high-impact journals.
- To establish collaboration with national and international other Universities, Public and Private sector research Institutions.
- To undertake research projects of National/International Funding agencies.
- To motivate faculty members in filing patents

5. Composition of the Committee

- Principal
- Vice Principal
