## Electoral Literacy Club

### Annual Reports:

#### 2023-24

The **Electoral Literacy Club (ELC)** of Christ College of Science and Management is a vibrant initiative aimed at promoting awareness and active participation in the democratic process among students. Through various activities like debates, quizzes, workshops, and voter registration drives, the club educates members about their rights and responsibilities as voters. The ELC fosters a spirit of civic responsibility, empowering students to contribute to the democratic fabric of the nation by making informed choices during elections.

The Electoral Literacy Club of Christ College of Science and Management organized an **Election Awareness Programme** to inspire active participation in the democratic process. The event included informative sessions on the importance of voting, the electoral process, and citizens' roles in shaping governance. A key highlight of the program was the **oath-taking on 24<sup>th</sup> April 2024**, where students pledged to uphold the values of democracy and exercise their right to vote responsibly. This initiative aimed to foster a sense of civic duty and encourage students to become informed and committed voters.

The program's impact was evident in the enthusiastic response from participants, who expressed their readiness to contribute to the democratic process with a renewed sense of purpose and commitment. Many students acknowledged the transformative nature of the discussions, which enhanced their understanding of democracy and inspired them to take active steps toward responsible electoral participation. The pledge and interactive sessions instilled a strong sense of unity and collective responsibility among the participants, reinforcing the idea that an informed electorate is essential for effective governance and national development. This Election Awareness Program, conducted on

**24th April 2024**, marked a significant step towards cultivating a culture of conscientious voting within the college community, demonstrating the importance of collaborative efforts in addressing voter apathy and promoting democratic values. By empowering students to recognize their potential as catalysts for change, the program laid a strong foundation for fostering a generation of voters committed to upholding the principles of democracy and contributing to a more informed, participatory, and accountable electoral process. As an impactful initiative, it highlighted the critical need for similar programs in educational institutions and communities to enhance awareness, encourage engagement, and strengthen the democratic fabric of the nation, thereby ensuring that the collective voice of the people continues to drive progress and governance in a meaningful and inclusive manner.
