EQUAL OPPORTUNITY CELL- Academic Year 2023-24

The Institution has established an Equal Opportunity Cell (EOC) for the Academic Year 2023-24, in accordance with the guidelines set forth by the University Grants Commission (UGC). The primary objective of the EOC is to ensure the effective implementation of policies and programs aimed at promoting equal opportunities for disadvantaged groups within the institution. This includes providing guidance and counseling services to students from marginalized communities, addressing their academic, financial, social, and other concerns, and fostering a culture of diversity and inclusivity on campus.

To achieve its objectives, the EOC performs several key functions. Firstly, it endeavors to sensitize the academic community to the problems associated with social exclusion, as well as the aspirations of marginalized communities. This involves organizing workshops, seminars, and awareness programs to promote a better understanding of the challenges faced by disadvantaged groups. Secondly, the EOC provides support and guidance to individuals or groups of students belonging to disadvantaged sections of society, helping them to overcome problems related to discrimination and social exclusion.

The EOC also plays a crucial role in addressing the grievances of the weaker sections of society. It provides a platform for students to voice their concerns and seeks to find amicable solutions to their problems. By doing so, the EOC helps to create a more inclusive and equitable academic environment, where all students feel valued and supported. Through its various initiatives, the EOC aims to promote a culture of social justice and equality within the institution.

During the Academic Year 2023-24, the EOC conducted four meetings to discuss its objectives, functions, and strategies for promoting equal opportunities on campus. These meetings provided a valuable opportunity for stakeholders to come together and share their perspectives on how to create a more inclusive and equitable academic environment. The EOC looks forward to building on this momentum in the future, with the aim of creating a campus culture that values diversity, promotes inclusivity, and supports the academic success and well-being of all students.

Faculty coordinators:

Ms Deepthi Jose(Assistant Professor,BA)

Ms Hima Devadas(Assistant Professor,BCOM)

Mr Karuna T(Assistant Professor,BA)

Student Co-ordinators:

Bhavani(Vice President)(III BA)

Tejaswini(Executive member)(I BSC)
