SC/ST Cell

Annual Report

Academic Year 2022-23

Introduction

Scheduled Castes (SC) and Scheduled Tribes (ST) have been identified as the two most backward groups of Indian Society. They include all the castes, races or tribes, which have been socially, economically and educationally backward. The cell has been established to support and to bring students from such communities in the main stream. The SC/ST cell of the college was established with the purpose to empower the SC/ST students in the college. The college takes special interest in facilitating financial support to students from these communities from government agencies and other sources. They are also encouraged to enroll for career orientation programs, which would equip them with the necessary skills to choose a career option.

SC/ST Cell

The cell constituted with the members from the community and having representatives from teachers, students and non-teaching staff acts as a swift system to address and resolve the grievances of the students from scheduled caste and tribe.
