

1. Login 23 -28.07.2024

The Department of Computer Science, in association with IQAC, conducted the National Level IT Fest, Login 23, on 28th July 2023, with around 360 participants from Karnataka, Tamil Nadu, Rajasthan, and Andhra Pradesh. The fest, themed "Elanza: Embrace the Digital Revolution," featured 7 events—5 technical (IT Manager, Blind Coding, Photography, Videography, Web Designing) and 2 non-technical (BGMI, FreeFire), along with carnival games. Preparations began in May, with committees for registration, sponsorship, and more diligently coordinating tasks. The fest commenced with registrations at 8:30 AM and was inaugurated by Rev. Fr. Jince George CMI. Events started promptly after the ceremony, with technical and non-technical competitions running smoothly. Lunch was provided, and carnival games entertained participants throughout the day. Winners were announced at the valedictory function, where certificates and cash prizes were distributed. Participants praised the fest, which concluded at 4:45 PM, leaving everyone with memorable experiences.

2. AARAMBH 23 – 3.08.2024

The Department of Computer Science, in association with IQAC, hosted "AARAMBH 23" on 3rd August 2023 from 1:30 PM to 3:40 PM to welcome the First Year (NEP Batch: 2023-27) students. The event began with a prayer by Ms. Angel Anto, followed by a welcome speech from Ms. Zoha and a lamp-lighting ceremony. Cultural performances, including dances, singing, public speaking, and creative activities like mandala art and video editing, showcased the students' talents. A ramp walk and games added fun to the event. The highlight was the selection of Mr. and Ms. Freshers, won by Mr. Dinesh Kumar and Miss Divyashree, who received gift vouchers. The Head of the Department, Ms. S. Athilakshmi, addressed the gathering, and Ms. Sripradha delivered the vote of thanks. The day ended with gift exchanges, leaving participants with cherished memories.

3.CHEERIO 2K23

The Department of Computer Science organized 'CHEERIO 2K23,' a farewell party for the 2020-2023 batch, on September 15, 2023. Hosted by II-year and I-semester BCA students, the event began with a cake-cutting ceremony, followed by a lunch break and distribution of customized photo frames for seniors. The afternoon session started with a welcome address by Ms. Jeshmitha and a prayer song by Ms. Gifty Gloria Biju.

Cultural highlights included a vibrant dance by Ms. Shrisha and team. Rev. Fr. Jince George CMI, Principal, shared wisdom, blessed the graduates, and honored top-performing students. Games and an emotional audio-visual showcasing the students' college journey added fun and nostalgia. Teachers and students shared feedback, and the event concluded with an address by Ms. S. Athilakshmi and a vote of thanks by Ms. Rakshitha, leaving lasting memories.

4. E -QUIZ 2 TO 4.12.2024

In connection with World Computer Literacy Day, Dept. of Computer Science in association with IQAC organized a National Level E-Quiz from 2nd-4th December 2023. The event aimed to enhance computer literacy among students, fostering responsible usage and contributing to their holistic development. In connection with World Computer Literacy Day, Dept. of Computer Science in association with IQAC organized a National Level E-Quiz from 2nd- 4th December 2023. The E-Quiz consists of 20 questions about Computer, computer languages, software, hardware, protocol, and inventors. The quiz was attended by 42 participants from Christ College of Science and Management and 534 participants from different parts of India like Kerala, Karnataka, Tamilnadu and Uttar Pradesh.

5. TECH TALES 2.12.2024

The Department of Computer Science, in association with IQAC, organized "Tech Tales," a documentary screening event on December 2, 2023, to celebrate World Computer

Literacy Day. The event featured the screening of *AlphaGo*, a documentary highlighting the interplay between artificial intelligence and human intellect through the game of Go.

BCA students engaged in post-screening discussions, exploring ethical, social, and technological dimensions of AI. The event fostered a deeper understanding of computer literacy, AI advancements, and their implications, providing students with a platform to share insights and aspirations in the digital age.

1. Guruvandanam - 2K22

The **Department of Computer Science**, in association with **IQAC**, organized **Guruvandanam 2K22** on **6th September 2022** to honor teachers on **Teacher's Day**. The event was conducted by **BCA students** from the **NEP Batch 2022-26, second**, and **third-year** classes. Various **cultural programs** and **games** were organized for teachers and students. The program aimed to show **respect and gratitude** towards teachers for their guidance and support. Teachers were presented with **photo frames** and **personalized messages** as **tokens of appreciation**. The event was filled with **fun, entertainment, and heartfelt moments**. It provided an opportunity for students to **express their love and admiration** for their mentors. The program was **well-coordinated and successfully executed**. It left a **lasting impression** on both students and teachers.

2. Aarambh - 2K22

A **Fresher's Day** event, "**AARAMBH 22**", was organized by the **Department of Computer Science** in association with **IQAC** on **7th September 2022** from **1:00 PM to 3:40 PM**. The event was designed to help freshers from the **BCA NEP Batch 2022-26** nurture their **intrinsic qualities** and overcome the **fear of stage**, aiding in their **personality development**. Students showcased their **talents** in various cultural activities such as **singing, dancing, public speaking, micro videos, video editing, mandala art, and cooking**. The **Student Coordinator** organized games like **Balloon Bursting** and **Eating Biscuit without hands** for the freshers. Based on performance, **HOD Mam** selected six students for the **Ramp Walk**, ultimately crowning **Tejus** (Mr. Talent) and **Zainab Haneen** (Ms. Talent). The event concluded with a **speech** by the **HOD**, followed by **gifts** presented to the freshers by their seniors.

3. Tiranga - 2K23

The **Department of Computer Science**, in collaboration with **IQAC**, celebrated **Republic Day** as "**TIRANGA 2K23**" on **January 27, 2023**, from **1:00 PM to 3:30 PM**. All **BCA students** participated in the event, which aimed to celebrate India's **Republic Day**. Students presented **patriotic dances** and **videos**, expressing their love for the nation. Events like **Face Painting**, **Public Speech**, and **Poster Designing** with the theme **INDIA @75** were organized to emphasize the importance of Republic Day. The activities encouraged students to showcase their **talents** and creativity. The event concluded with **prize distribution** and the exchange of **joyful greetings**. It was a great opportunity for students to celebrate **India's Republic** while fostering **patriotism**.

4. CHEERIO 2K22

The Department of Computer Science organized a farewell program titled 'CHEERIO 2K22' on 14th September 2022 for the 2019-2022 batch, conducted by I, II, and IV semester BCA students. Invitations were prepared and sent to the students. The event began with the inauguration of the memory room by Ms. S. Athilakshmi, HOD/CS. Customized mugs with seniors' photos were gifted, followed by lunch, gift distribution, and cake cutting. The afternoon session started with a welcome address by Ms. Hinduja, a prayer song by Ms. Angel Anto, and a welcome dance by Ms. Akshaya. Faculty shared memories and feedback, and games were organized for entertainment. An audio-visual presentation showcased the seniors' 3-year journey. Students shared their experiences, followed by an address by Ms. S. Athilakshmi. The program concluded with a vote of thanks by Ms. Nandana N of IV Sem BCA.

1. CS TALENTS

The Department of Computer Science organized **CS TALENTS** on **December 3, 2021**, to welcome the freshers and celebrate their new beginning with exciting performances and activities. The event commenced at 2 PM with a warm welcome by Ms. Rekha Gowda (III BCA), followed by a soulful welcome song by Ms. Amala Christy (III BCA). The program featured vibrant performances, including traditional and western dances, singing, and interactive games, giving freshers an opportunity to showcase their talents. The seniors ensured a lively atmosphere with fun games and delicious treats, creating a memorable start to the academic year. The highlight of the event was the selection of **Mr. and Miss Fresher** through skill auditions judged by the faculty. The celebration concluded with a motivating speech by the Head of the Department, encouraging students to achieve new milestones.

2. Sayonara 2K21

The Department of Computer Science organized a farewell program titled '**SAYONARA-2K21**' on **November 19, 2021**, for the 2017-20 and 2018-21 batches. The event was conducted by III-year BCA students in coordination with II and I-year BCA students. A flashmob on **November 18, 2021**, at 12:15 PM served as an announcement for the event. The program began with a welcome address by Mr. Sivaramakrishnan (III BCA) and a prayer song by Ms. Angel Anto (II BCA). Ms. Akshaya (II BCA) performed a welcome dance, followed by an address by Rev. Fr. Jince George CMI, Principal. Fun games were organized for the seniors, and an emotional audio-visual presentation showcased their three-year journey. Personalized photo frame gifts were distributed, and Ms. S. Athilakshmi, HOD, addressed the gathering. The event concluded with a vote of thanks by Mr. Sivaramakrishnan, a photo session, cake cutting, and lunch provided by the department.
